Tashqeel organized my company trip to naran and saif ul malook lake. They provided splendid services in very reasonable rates. They provided buffet breakfasts and two dishes diners at moon restaurant. Hotel was nice and tidy with a beautiful view on naran main road.

The crew members were very supportive and cooperative in every aspect especially abdur rehman and zeeshan.

I would totally recommend tashqeel travel for personal and company trips.

Great going , keep up the services

I had my honeymoon trip planned via tashqeel travels and they made a customized plan as per my requirements and budget.

Their representative was always in touch with me from the moment i landed in islamabad. My trip consisted of swat (kalam and malam jabba), shogran & nathia gali.

Upon reaching swat we got to know that there is heavy snow in kalam and it is not feasible to stay in kalam so they immediately arranged an alternative accommodation (hotel) in bahrain and even refunded the due amount despite of policy clause mentioned on their invoice.

I had 2 nights stay planned in nathiajali but requested them to change it on last moment and the wish was granted, they were always available and ensure our comfort at every step.

If you are planning your trip to northern areas along with your family tashqeel is the place to opt for.
